Examples of educational components are: a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.

The information concerns, for example, the qualifications offered, the learning, teaching and assessment procedures, the level of programmes, the individual educational components and the learning resources. The Course Catalogue should include the names of people to contact, with information about how, when and where to contact them.

GOOD TO KNOW!

- On the right side under **Action**, there are 3 dots, if you click on them you will be able to see 3 actions: **Edit**, **Remove** or **Save PDF**;
- The Erasmus Office can see all your version of OLA, so please try to keep only the 3 parties signed ones after the process of completion.
